Congratulations Isabella

Koori Kids and the Department of Education 2019 NAIDOC Week School Initiative Competitions congratulates Isabella Goodear on being selected as a winning recipient of the 'NAIDOC Medal of Excellence' (one of 30 awarded across the State). The ultimate aim of these initiatives was to provide our kids with a greater understanding on the importance of friendship and cultural diversity. The competitions are broadly based around each year's national NAIDOC theme. Colouring in/short story writing, creative writing and essay writing competitions were open to all primary and secondary school students in communities. Well done Isabella!

Kindergarten Transition

Our Kindergarten Transition program concludes this Friday 29th November with students attending from 9:30am until 2:00pm. Transition will finish with the children singing a song and with each child receiving a certificate.

Kindergarten transition parents, grandparents, aunts and uncles are all invited to attend a wonderful presentation, **beginning at 1:45pm.**

All the students have settled well and have enjoyed their time at Edward School. We look forward to seeing them in 2020.

Stage 3 Excursion-Sydney

Our Stage 3 students leave this Sunday, 1st December and will return in the early hours of Saturday 7th December. Mrs Bermingham has sent out information notes and will send home a final itinerary later in the week. Stage 3 students not attending the excursion are required to attend school next week and Mr Bodey will be their teacher.

Bully Zero Information

We have had lots of positive comments from students, staff and parents. Thank you to all the parents who were able to attend the free information session last Thursday night.

Land Council Elections

Reminder: Aboriginal Land Council Elections will be held in the old hall this Saturday, 30th November.

P&C Mini Fete

Thank you to everyone who contributed to our Mini Fete on Friday afternoon, 15th November. Family Support

Being a parent is one of the most important, but challenging jobs you will ever do. Intereach Family Support can help your family cope with challenges, be healthy, safe and a good place for your children to grow.

► So, how does it work?
 Intereach Family Support can visit you at home or in the community, and talk about what is working well for your family, and what you are finding tough such as family violence, separation, divorce or financial hardship. This helps us understand the type of support that will suit you and your family, and what problems you want to tackle.

The practical help we can provide includes information and referral to other services, counselling, court support and help with small things that can make a big difference like time management, budgeting, household management and personal development.

► Where is it available?
 Support is available to people living in the Local Government Areas of Edward River, Hay, Berrigan, Murrumbidgee and Murray River.

Phone us for a chat or arrange to meet with a Family Support Worker.

If you live in another area, please contact us and we will put you in touch with a Family Support service in your area.

► Is there a cost?
 There is no cost to access this general advice and support.

► Need assistance to talk to us?
 If you are deaf, or have a hearing impairment or speech impairment, contact us through the National Relay Service:
