Bakers Delight Fundraiser

Bakers Delight has offered the school the opportunity to participate in a fundraiser for the school. For each 6 pack of hot cross buns ordered, Baker's Delight will donate \$1.50 to the school. Order sheet was sent home last week. Orders must be returned to school by 29/3/19 and the Hot Cross Buns will be delivered to the school on the 3/4/19 and sent home with your child.

Bakers Delight also has some deals that are attached to the newsletter. Baker's Delight is kindly donating bread for our Breakfast Program next term.

Staff Professional Development

On Friday Miss Snell and Mrs Bermingham will be travelling to Moulamein to take part in professional development around Literacy. They will then be training the staff at future staff meetings. The teachers at Edward PS are always making sure they are up-to-date with new trends in education.

Principal's Update

Dear Parents/Caregivers,

Last Friday we remembered the loss of our previous principal Ms Judy McGuiness. I was very proud of the students. They all displayed exceptional manners and respect. The memorial was a fitting tribute to Ms McGuiness.

P & C Fundraiser during Election

Thank you to all the parents and carers who supported and helped out at the P & C fundraiser Saturday during Election Day. We are well on our way to purchase new laptops for the classroom and then add seating, edging and soft fall to our play equipment area. A very big thank you also goes to the Deniliquin RSL for donating 3 dozen specialty cupcakes and to Sahara McLean for making them and delivering them to the school. The P&Cs efforts raised \$590.

Student Information Sheets

Not all families have returned these 2019 forms. Please return the blue student information sheet to school as soon as possible. It is really important that we have the most up-to-date information in case we need to contact you.

NAPLAN Online Practice Test

Students in Years 3 and 5 will be participating in practice tests to ensure that the software is running smoothly and in preparation for the students completing the tests on line in week 3 next term.

NAPLAN assesses literacy and numeracy – important skills that each child needs to succeed in school and life. The NAPLAN tests are designed to help us make sure students are on track with their literacy and numeracy development. Students in Years 3, 5, 7 and 9 participate in NAPLAN tests for reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

Between 25th March and 5th April 2019, our school will participate in NAPLAN Online. Students do not need to be computer experts to take the NAPLAN test online. Making sure students have computer skills is part of our school curriculum, and our teachers will ensure your child is familiar with the online format. To see the types of questions and interactive features of NAPLAN Online, visit [the public demonstration site](#).

If you have any questions about NAPLAN Online, please contact your child's teacher.

If you find any eggs or lice please commence treatment as recommended.

Further information on head lice is available on the NSW Health website (details above) or through the Department's website at <http://www.schools.nsw.edu.au/studentssupport/studenthealth/conditions/headlice/index.php>.
