Welcome to Book Week. I am sure everyone will enjoy all the activities planned for this week. We had lot of interesting characters at school yesterday. Thank you to Deniliquin Newsagency for supporting our school with the Book Fair.

Student Led Conferences

Student Led Conferences were very successful and I have had great feedback from parents, carers, staff and students. If parents / carers missed the opportunity to meet with their child and their child's teacher, please contact the school to organise an appointment.

Wandering through the strange forest it felt like someone was watching me. I felt worried. I could see two eyes. I could hear only silence and I was worried that something was coming. It was a winged, flying and evil robot made of metal.

I had to do something as it was coming towards me but I had no idea what to do. Then I had an idea! It was to get a bear trap. I put the trap down. There was a rock right next to me and I picked it up and threw the rock at the robot. It smashed into the robot's head and it went haywire.

The robot looked like it had turned off but it didn't turn off. It was a robot that could never turn off at all. I was worried because this robot could destroy the world.

I have to stay to make sure the robot is disarmed. The world will be safe from the evil robots and now every human is safe.

Three of us we were the only ones left the only ones to make it to the castle. I felt scared. I opened my eyes and I saw a horse and cart. I could hear a battle but I didn't know where to find my bow and arrow.

I saw my rainbow sword stuck in a giant boulder. I ran over and pulled it out. I picked up my shield and went to find the battle. I saw ten knights fighting with bows and arrows and swords. I hid behind a rock and watched the fight. Then I ran away.

I saw a horse and cart and I hopped on. It took me back to the castle. I am going to stay in the castle and be a knight forever.

Bad Luck

There once was a dog who got stuck
In the mud that brought her no luck
Her paws were all brown
Her face had a frown
As she tried to chase a fat duck

There once was a very smart dog
She ran off and sat on log
She was as white as snow
And she wore a bow
And went off and married a hog

My party

Yesterday I had my birthday party at the pool with all my friends.

First, we jumped in the pool and played games together. Then, mum gave us all some party food to eat. It was so yummy.

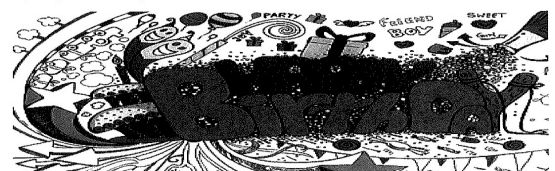

Later on, I opened my presents that my friends had given me earlier.

At the end of the day we were all a bit tired from the party games we played.

I was so excited and happy that all my friends came to my birthday party and I enjoyed it very much.

It was a fantastic day and we all had so much fun.
