A PBL SCHOOL - Positive Behaviour for Learning - WE VALUE

EDWARD PUBLIC SCHOOL

RESPONSIBILITY

SAFETY

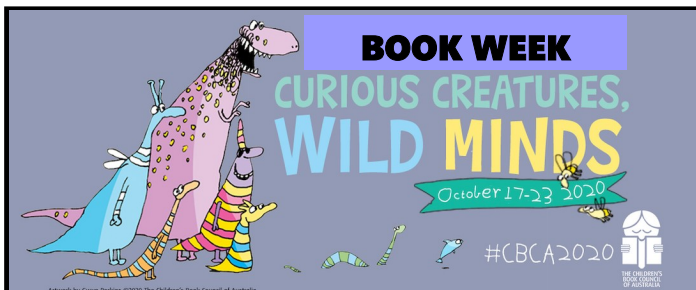

RESPECT

Week 1 Term 4 2020

Mon 12th Oct	• Students return for Term 4
Fri 16th Oct	• Canteen Meal Deal—Nachos + choice of any drink \$7.50

Week 2 Term 4 2020

Mon 19th Oct	• Book Fair Wish List Day
Wed 21st Oct	• Book Week Character Parade • Treasure Hunt • Book Fair Buying Day in Library
Thurs 22nd Oct	• Book Fair open (please see office)

Just a reminder that Book Week is happening in Week 2 (next week) and here is what's happening at Edward School.

- Mon 19th Oct * Book Fair Wish List Day
- Wed 21st Oct * Book Week character parade.
Students are invited to dress up as their favourite character.
- * Treasure Hunt
- * Book Fair Buying Day in Library
8.30am - 3.00pm
- Thurs 22nd Oct * Book Fair Open (please see office)

Unfortunately due to Covid19, parents are not allowed in the school grounds. Children will bring home a Book Fair Wish List and we ask that students buying a book that they bring cash to school closest to the cost of the book. Change can be given. Books can be held at the office until payment is made.

Principal's Update

Welcome to Term 4

I would like to welcome all the students back to Term 4. I hope everyone had a relaxing and enjoyable holiday. Thank you to everyone for keeping an eye on the school buildings and grounds over the break. We were pleased to come back to school and have no damage to property or the grounds. If anyone sees anything suspicious happening in the school at any time they can anonymously call School Security on 1300 880 021 and report it or they can contact Deniliquin Police on 58819299. Thanks for supporting us.

PBL (Positive Behaviour for Learning)

Last Term the students enjoyed the extra play time they earned by being great school citizens and following our Rainbow Rules and the school values of Respect, Safety and Responsibility.

Each week this term the staff and students will be focusing on following these rules and values in two specific areas around the school.

- Week 1 Assembly under the COLA and Play Equipment
- Week 2 Area A and the Basketball Court
- Week 3 Area B and Canteen
- Week 4 Sandpit and Bus Lines
- Week 5 Bike Shed and Covered Walkways
- Week 6 Crossings and Shelter Area
- Week 7 Computer Room and Sick Bay
- Week 8 Bradley Hall and Sports Shed
- Week 9 Office Foyer and Excursions
- Week 10 Revision of areas and Values

Mr Bodey sent out a survey to students on Google forms and they voted. The most popular reward was a trip to the Rocket Park to have lunch and a play. Students also indicated they would like a movie afternoon and an ice-cream day. I am sure that the students will continue to work hard to be responsible, respectful, safe students and will achieve their goals soon.

Play Ground Edging

A big thank you to Gary Butcher and Graham Marchant for installing the new playground edging. It looks great! A very big thank you also to the Edward P&C for supporting the school by providing some of the funding to make it possible to purchase the recycled edging.

Footy Colours

Thanks to Mr Bodey and Year 6 for organising a great Footy Colours Day. A lot of fun was had by all!

Check In Assessment

Last Term Year 5 participated in the Check In Assessment for Reading and Numeracy. Next Week Year 3 will have their turn. The teachers will use this data to identify areas of strength and target areas of need.

Sun Safe

It is compulsory to wear school hats this term in line with our Sun Safe Policy. You can purchase school hats from the office for \$15.00 for broad rimmed hat or \$10.00 for bucket hat. If a student forgets to bring their school hat they must sit in the shade and not play out in the sun.

Cup Cakes

Year 6 are making and selling cupcakes every Tuesday to raise money for their Year 6 dinner, fun day and a present for the school. They are \$1 each and can be bought at recess from the canteen.

Edward Excellence

I am sure a number of students, parents and carers were pleased to receive a letter in the mail informing them of the impressive job their child has been doing at school in regards to their effort with learning, being a caring kind friend and participating in school activities.

EWE (Edward Writing Excellence)

This term our writing focus is Explain. Students will be focusing on writing explanations and procedures.

We are all looking forward to a great term. We will keep you updated regarding changes that will need to happen due to Covid.

Know someone who would make a great foster carer?

CareSouth is looking for new foster families in the Deniliquin area. We need everyday people who are willing to experience the rewards and challenges of this important role. We need foster carers for a range of short-term, part-time, and longer-term care. You will receive training, an allowance and ongoing 24/7 support. If you think you can help, or know someone who can, contact us to find out more.

Sun and UV at School: Learning about skin cancer prevention

In the lead up to summer, students will learn about sun protection, and how to make healthy, safe and proactive choices that reduce their risk of skin cancer.

Statistics show that melanoma is the most common cancer affecting young Australians aged 15-24. With that in mind, we will be teaching students about the dangers of sun exposure and that skin cancer prevention starts with practising sun-safe behaviours at school.

This focus on sun safety follows the release of a suite of interactive skin cancer prevention resources for NSW schools. The *Sun and UV at School* classroom resources are curriculum aligned and have been developed by the Cancer Institute NSW in consultation with the NSW Department of Education, other education advisors and Cancer Council's SunSmart program.

As part of the initiative, students will be encouraged to take part in a *Sun and UV School Challenge*, designing contemporary shade solutions that protect them, their friends and local community from the harmful effects of the sun. cancer.nsw.gov.au/sun-school

PUNISHING A CHILD IS NOT AS EFFECTIVE AS USING PRAISE AND REWARDS

Rather than focusing on weaknesses, find ways to assist your child in developing to his or her full potential. When encouraged, children thrive.
