Kindergarten Transition

All of the 2021 Kindergarten students who attended their first transition day last Friday left with big smiles on their faces. They enjoyed the activities and meeting new friends. We look forward to seeing them again this Friday.

Principal's Update

This week the staff and students have a very busy week participating in a variety of activities.

NAIDOC Week Celebrations

Yesterday saw Edward Public begin the week's celebrations with a smoking ceremony. Thank you to Mr Fred Egan for supporting our school, talking to the students about NAIDOC Week and performing the smoking ceremony.

The students will participate in a variety of activities throughout the week. These include weaving, bark painting, cultural lessons, Indigenous games tabloid, group collage, class Acknowledgement of Country performance and a free barbeque today for all students, staff and visitors.

Many thanks to the Aboriginal Lands Council and Yarkuwa for supporting the variety of activities at school. Michelle Jones also shared some artefacts with the school so that the students would have first-hand experience with traditional tools and implements.

Indigenous Engagement Program Gala Day

Next week on Wednesday, 18<sup>th</sup> November, Year 5 and 6 students will be participating in the Indigenous Engagement Program Gala Day. More information will be sent home to the students later this week.

Year 2 Swimming Program

This year due to COVID restrictions we will only taking Year 2 students to the pool for Intensive Swimming lesson. These will take place on Mondays and Tuesdays during Weeks 7, 8 and 9. Students will receive a note with all the information about the program. It is hoped that we will be able to run Intensive Swimming lessons at the beginning of next year for other students.

NSW GOVERNMENT

**'Will I be a good dad?'**  
 is a common concern amongst new dads and dads-to-be.

## The Focus on New Fathers program provides a free text message based service called SMS4dads.

**Free tips, tools and links - directly to dad's phone**

To help new dads and dads-to-be navigate the changes, before and after the birth of their baby, NSW Health and the University of Newcastle have partnered to deliver SMS4dads.

Once new dads and dads-to-be are registered, they'll receive practical tips, tools and helpful links directly to their phone.

**You're eligible:**

- if you are 18 years or older
- if your partner is at least 16 weeks (four months) pregnant; or
- from your baby's birth until they are 6 months old.

Just wanted to say thanks for this project. The text messages have been invaluable and I couldn't have known just how much I needed to receive these short and helpful messages.
