Breakfast Program

Toast is available to students from the canteen window on Tuesday, Wednesday and Thursday. In this cold weather tummies are looking for a bit of extra food. This also helps students to concentrate and participate in learning activities.

Skipping

The students and staff have been busy improving their skipping skills during fitness time. Students will be given the opportunity to showcase their skills on the last Friday of this term. Unfortunately, parents, carers and community members are not able to enter school grounds so there will be lots of photos on Facebook and in our next newsletter.

2021 Kindergarten Enrolments

Enrolments are now being taken for Kindergarten next year. Please let the office know if your child will be starting Kindergarten at Edward PS in 2021. If you have a friend or neighbour whose child will be attending, please ask them to contact the school as well. This will assist us with planning for classes and our transition program in Term 4.

Uniform Shop

The uniform shop is open for your child's uniform needs. Please see the office staff. The P & C uniform shop accepts cash and you can also pay by direct deposit on your phone. See the office staff for the details.

Fathering Project Challenge

Our challenge for the next fortnight is.....A Board game challenge. Remember to send your photos via messenger or the Edward school email address.

Principal's Update

The end of the term is approaching. It certainly has been an interesting one! The weather is a bit unpredictable. A few jumpers are being removed as students warm up and being left behind. It is really hard to return property to its owner if it is not labelled. Please check your child's jumper / jacket tonight and name if necessary. Please get your child to check the lost property trolley if they have lost an item of clothing.

Students need to bring their own water bottle from home. This will help to restrict the spread of germs and keep your child hydrated.

A very big thank you to the P&C for the new fridge that they purchased for the canteen.

I hope everyone has an enjoyable and restful break over the July holidays. School finishes up for Term 2 on Friday 3<sup>rd</sup> July and students return for Term 3 on Tuesday, 21<sup>st</sup> July.

Best wishes,

Rhonda Blacker  
Principal

Reports

Teachers have been working hard to complete reports. They will take a different format this semester due to Covid-19 restrictions. There will be an effort and comment for each key learning area as well as a general comment.

Edward Writing Excellence (EWE)

All students have been working hard to produce detailed descriptive writing this term. Teachers have selected the best and most improved pieces. EWE certificates will be presented to student during morning assembly this week.

Assembly Awards

We are still not allowed to have assemblies, so teachers will be writing assembly awards this week and they will be handed out to the hard working students along with Edward Awards at the end of the week.

With the holidays coming up we thought we would make our Fathering Project challenge

### A Board Game Challenge.

Spend some time over the holidays playing board games with your kids. Board games are a great way to help kids learn perseverance and patience but is also a great family bonding time.

Send in some photos via messenger for us to put on our Facebook page.

Have fun!

Also, I would like to remind dads of the Edward School's Fathering Project Portal. We would love you to join up and become a member of the Fathering Project and receive lots of great advice and resources for being great fathers and father figures. And mums the advice is just as good for us.
