Wed 8th Sept	• Students Learning from home
Thurs 9th Sept	• Students Learning from home
Fri 10th Sept	• Students Learning from home • Waiting on arrangements from DoE for Week 10

Week 10 Term 3 2021

Fri 17th Sept	• Last Day Term 3
---------------	-------------------

Dear Students, Parents and Carers,

Thank You

Thank you to everyone for the amazing job you are doing during these unprecedented times. Teachers are working hard to provide engaging learning packs for your children. The addition of the NSW Department of Education online guided learning packs has been well received by families. The link to the online guided learning packs are being sent to your child's DoE email account. You can send your child's teacher messages through their email or call the school if we can help answer any questions.

My advice is to only do as much as you can. Don't put too much stress or pressure on yourselves. Organise a timetable, roster in breaks and be kind to yourselves. The packs don't have to be complete. Just do the best you can.

It is important that packs are picked up and returned. This is how we measure engagement in learning and this information will be used to mark attendance rolls.

I will let you know as soon as I have any news about next week's arrangements.

We would love you to share some photos of you learning at home. We look forward to seeing them. You can email them or send them to the school Facebook account.

Stay safe,

Rhonda Blacker

NSW Department of Education Message

We want to thank all the families who are supporting our community by keeping their children at home, learning from home, to minimise movement in the community. As always, our school will be open with minimal supervision to support those students who cannot be educated from home, for example if their parent or carer is an essential worker. All students and families will be supported with learning from home materials and resources provided by your teacher.

Find resources to help you and your child learn from home at education.nsw.gov.au/parents-learning-at-home.

Production

Students were working really hard on their Production items. This will continue into Term 4 and we look forward to seeing their performances.

Edward Excellence

Teachers have nominated students to receive Edward Excellence letters for Term 3. These will be posted home next week. Thank you to all the students who go above and beyond to be active learners, good friends and great school citizens.

2022 Kindergarten Enrolments

Enrolments are now being taking for 2022. Please contact the school for an information pack. Enrolment can be done online. Please see our school website and you can pick up a paper form from the office. If you know anyone who would like some information about enrolling at our school, please ask them to contact the office on 58821612.

School Photos

We will advise you about school photos when we have a new date.

Father's Day

We hope you all had an enjoyable Father's Day.

Watering our trees that were recently donated by Land Care.

Ruby learning from home. Artwork of spring blossoms

I hope all out dads and father figures had a wonderful father's day.

In this weeks Fathering Project's Mondays with Dr Bruce Robinson Bruce talks about the importance of building good value in our families. Here are some tips to think about. Also check out the link below for the full video.

TOP TIPS

- **Begin with yourself – ask yourself – how do I want to be remembered as a person?** Write down the words. Ask your partner (If applicable) to do the same, and discuss the similarities and differences.
- **Now ask – what are the important things I/we want my/our child to be known for as they grow up?** Write a list and discuss.
- **Talk to your children about the values you think are important** – like kindness, trust, honesty, respect and use these words regularly with your children.
- **Put these values into action yourself.** This is most powerful way to teach your children your family values.
- **Discuss with your family why the values are most important** (e.g. love, kindness, trust, honesty, respect) and how these values can help the whole family to be happy and make good decisions.
- **Use these values to set your family rules.** For example: We will all treat each other with respect. We will respect each other belongings. We will all share the load with our chores. We will be honest with each other.

Parenting Tip:

Don't ignore the source of misbehaviour.

Misbehaviour is always a symptom of a deeper issue, and when we can find what causes it, we can use the right strategies to correct it.

If Bella keeps dumping toys all over your desk, is she upset that you've been working all afternoon? In the midst of misbehaviour, stay calm and ask yourself what might be causing it.
