Assembly / EWE Awards

Our assembly will be this Friday, 16th September at 9.00 am. As well as our regular awards, we will also be celebrating the talented writers at our school. The students have all been working on persuasive texts as part of their writing lessons. The best and most improved writers from each class will be presented with a EWE (Edward Writing Excellence) certificate. We hope to see our parents and carers at school on Friday morning.

Edward Excellence

Edward Excellence letters will be posted home next week. Teachers have nominated students that they believe are deserving of this recognition. Students who receive a letter have consistently exhibited excellent behaviour and work habits, have tried hard in all areas, been a kind, caring and good friend, participated in school activities and displayed pride in their school. They have followed the Rainbow Rules and displayed our school values of Respect, Safety and Responsibility.

Bush Poetry

Tonight at 6pm, some of our Stage 3 students will be representing the school at the Bush Poetry evening held at Intereach. Mitchell, Kelsey, Harper, Nina, Siena and Maddison have been rehearsing their lines over the past couple of weeks in preparation. Thank you to Mr Alex Allitt and Mr David Schoeffell who performed at our last assembly and have since returned to help the students prepare for this evening. Everyone is welcome to attend tonight.

Building Restoration

During these holidays work will begin in earnest on the renovation of the 4 classrooms and toilet blocks that were damaged last holidays.

50th Anniversary Celebrations

Edward Public School 50th Anniversary organisation is well under way. We are all looking forward to celebrating this milestone on Saturday, 22nd of October with past and present students, staff, parents and carers. The school will be open from 11 am until 4 pm. There will be opportunities to look inside classrooms and check out the upgrades around the school. The time capsule will be opened, there will be a chook wheel, music and you can purchase a BBQ lunch and a commemorative stubby holder. Scrap books, past production clips and memorabilia will also be on display. Check our Facebook page closer to the date for specific times and activities.

Senral

Our school has begun using a new software program. This program is used by many NSW Department of Education schools. It has many features and we are gradually adopting these and implementing them at our school. The first two we are using at school are the text messaging and roll marking features. If your child is absent you need to contact the school giving a reason for their absence. As of next term the school will be sending parents and carers a text message asking them to explain their child's absence.

National Indigenous Literacy Day

Last Wednesday, 7th September our school participated in the Indigenous Literacy Day, National Digital Event.

Children from remote Milikapiti and Jilkminggan communities in the Northern Territory, joyfully shared their Stories, Cultures and Languages.

Jessica Mauboy and Gregg Dreise both ILF Ambassadors, also joined in learning a well loved song in Tiwi and Mangarrayi languages, with Gregg also singing in his own language of Gamilaraay Yuwaalaraay. Our students thoroughly enjoyed this National Digital Event.

Demountable Classrooms

The two demountable classrooms are up and running. The Mrs Leetham's class has settled into their new room quickly and are enjoying all the new furniture and resources. The temporary computer room is nearly ready for use.

Fathering Project / Footy Fun Day

On Friday 23rd September, last day of Term 3 we will be celebrating our Footy Fun Day in conjunction with the second Fathering Project. Come along and join your child for a BBQ lunch and footy activities. Everyone welcome. Flyer and canteen order form attached to this newsletter. Please return all orders back to the school office by Monday 19th September 2022.

Sporting Schools – AFL

The AFL skills of our students are definitely increasing with students having a great time at the Sporting Schools AFL skills sessions over the past 2 Fridays. The sessions will conclude next week on the last Friday of school which is also our Fathering Project / Footy Fun Day.

Leo Barry Fun Days

Students enjoyed participating in the Leo Barry Fun Days in Week 7. It was good to see things getting back to normal and have the Deniliquin students mixing and enjoying sporting activities together again.

Kindergarten 2023 Enrolments

Our Kindergarten Transition will be held next term. We will soon be sending out invitations and information to the parents and carers of students enrolling at Edward Public School in 2023. If you know of any families that have not contacted the school regarding enrolling, can you please get them to contact the school or enrol online through the school website.

I wish everyone a relaxing holiday and look forward to students returning refreshed and ready to learn on Monday the 10th of October.

Regards

Rhonda Blacker
Principal

Road safety

Hold your child's hand

As pedestrians, children can be easily distracted and are often too small to be seen by drivers. They may be unable to predict or identify dangers and tend to act impulsively.

Talk with your child about safe behaviour on the footpath – it's not a safe place to play as it is near the road and vehicles may be entering or exiting driveways.

Until your child is at least eight years old, hold their hand:

- on the footpath
- in the car park
- when crossing the road.

Up until at least 10 years old, supervise your child very closely, holding their hand when crossing the road. If you can't be with your child, organise for another trusted adult to accompany them.

After school, meet your child at the school gate. At the end of the school day children may be excited, distracted or tired and often not concentrating on their own safety.

For more information on keeping our kids safe around schools visit the families section on safetytown.com.au

Messages to share with your children in Kindergarten to Year 2

- Hold a grown up's hand when:
 - you cross the road
 - you're on the footpath
 - you're in a car park
- Hold an adult's hand when you cross the road

Messages to share with children in Years 3 to 6

- Use a safe place to cross the road
- **Stop! Look! Listen! Think!** every time you cross the road and keep checking until safely across

Too many lives lost on NSW roads
Our goal is zero.

NOW TAKING Kindergarten Enrolments 2023

LIVING WELL PHOTOGRAPHY COMPETITION 2022

THEME: BUILDING RESILIENCE

Our lives after the COVID-19 pandemic have changed in so many ways. Social distancing, health screening, mask wearing, hand hygiene and isolation have become the new norm. We are seeking photographs that portray your resilience post pandemic. Show us the things that keep you strong, safe and positive. Share with us the moments that gives you hope and happiness with each new day. Tell us about you and your strengths. Along with your photograph we want you to tell us, in a maximum 100 words, the thoughts and feelings behind your photograph.
